

CS 2100: Data Structures & Algorithms 1

We Made It To The End Of The Semester! 😊

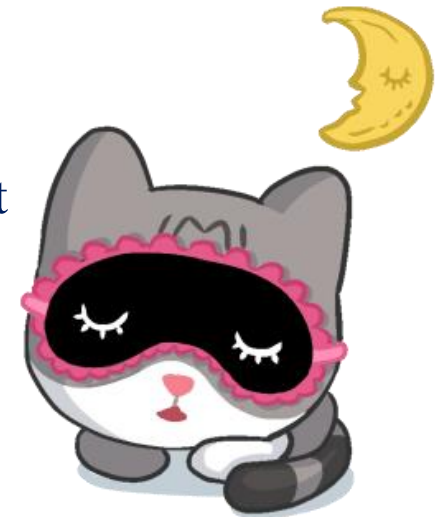

Semester Wrap-Up and Q&A

Dr. Nada Basit // basit@virginia.edu

Spring 2022

Friendly Reminders

- The University updated the mask policy. As per my Request on Mar 28, 2022 (see Collab), I would greatly appreciate if you would do me a kind favor by **continuing to wear your masks** in CS 2100 (Ridley G008). I know it is a lot to ask, and it is **voluntary**, but I appreciate your understanding.
- If you forget your mask (or mask is lost/broken), I have a few available
 - **Just come up to me at the start of class and ask!**
- No eating or drinking in the classroom, please
- Our lectures will be **recorded** (see Collab) – please allow 24-48 hrs to post
- If you feel **unwell**, or think you are, **please stay home**
 - *We will work with you!*
 - At home: eye mask instead! **Get some rest** 😊

Announcements

- **Final Exam:**

- **Date:** Saturday, May 7, 2022
 - **Time/Duration:** 7:00pm – 9:00pm ET (two hours)
 - **Location:** Section 002: **RDL G008** [Section 001: McLeod Hall 1020]
- *new**
- 

- **Make-up Exam:** [Email me if you haven't already]

- If you have a conflict with the following courses, **email me:**

- APMA 3100
- APMA 3140
- ECON 2020 (sections 001 and 002 only)

- **Make-up Date:** Sunday, May 8, 2022

- *At this time we do not have a time or a location; however, given there are no officially held final exams on this day (May 8) we anticipate the chosen time will suit your schedule*

The Final Exam – Saturday, May 7 (Make-up: May 8)

- Mode: Taken **in-person**
- Duration: **two (2) hours**
- Policies:
 - Closed-book / Closed-notes
 - Closed-Google/Internet (except to access the quiz itself)
 - Closed-Eclipse/other IDE
 - Closed-friend/any other person
 - Closed... everything 😊
 - **Can retake as many quizzes as you want**
 - The work you do must represent your **individual effort**, and involve **no outside assistance** from any one or any resource
- Location of Quizzes: ONLINE AS BEFORE. **Explicit instructions will be given on the day!**
- Students with accommodations with SDAC:
 - Please see email that I have sent to you.
 - If you choose to book a testing appointment with SDAC, please do so as soon as possible!
 - You will have your extended time accommodations

➤ What to bring with you to the final exam:

- **Fully charged laptop (+ charging cable)**
- Pen/pencil to write on scratch paper (*not necessary, only if you want*)
- Student ID card

My Office Hours

I will be holding my regular office hours today (Monday) and tomorrow (Tuesday) on Zoom (no change)

Assignments

- The **Priority Queue** analysis was due 11:59pm on Friday, April 29.
- The next and final assignment, **Concurrency Queue** (implementation) is due **by 11:59pm on May 4, 2022**
 - Firm deadline; (late due date of 11:59pm, May 11, 2022)

Eclipse

- Let's review the **Bank examples on Eclipse**, if you have questions! (Help with homework, too)

Quizzes

- There is lab TONIGHT (Monday)! *Last lab of the semester!*
- Take the last quiz of the semester – Quiz 11 (Priority Queues).
- This is also a **retake lab**, where you may **choose two (2) quizzes** to retake from Modules 7-10. Of course, retakes are completely optional. If you are satisfied with your quiz scores you do not need to retake any quizzes in lab.

Quizzes – Feedback from YOU

- Sherlock
- Length (time)
- Length (# questions)
- Retake opportunities
- ... anything else?

Homework Assignments – Feedback from YOU

- Assignment description
- Scaffolding
- Working on the assignment being a good means of learning the material/data structure
- Submission to Gradescope
- Cohorts / Cohort engagement
- Using rest of lab to work on homework
- ... anything else?

Course Evaluations

- We really do want to hear your thoughts on areas that went well as well as other areas we could improve!
- To gain all perspectives we would really like a **high level of participation**. To encourage you to fill out the **course evaluation** we will be giving everyone who completes it by **11:59pm on Friday, May 6, 2022, 5 (five) extra points of extra credit** on their **overall Quizzes score!** Note, this is not a bribe, what you submit is still anonymous. We are only able to see the names of students who complete the evaluation, but that is all.

The background features a celebratory theme with several grey balloons of varying sizes, some with white highlights. A string of bunting flags in blue, orange, and grey hangs across the top. Small black and colored dots are scattered throughout the scene. The text is centered and rendered in a purple, serif font with a slight drop shadow.

Thank You For A Great Semester! 😊

It truly has been a pleasure teaching you this semester. All of you have been wonderful students and I have thoroughly enjoyed my interactions with you!
